Re: 2022 City of Lafayette Annexation – Legal Description

Mr. Carson

TBIRD Design Services Corp. thanks you for giving us the opportunity to offer our land surveying services. This proposal is based on the Wednesday, February 23, 2022 meeting held at TBIRD's office. Please see the attached exhibits for the annexation areas. Following is a summary of the proposed scope of services:

1. Verification of existing ownership data.
2. Analyzing existing deeds of record, subdivision plats and any other available relevant data.
3. Communication and coordination with the Redevelopment Office and City Attorney.
4. Legal Descriptions of proposed areas to be annexed into the city
5. Exhibits of the areas to be annexed into the city

Project Schedule:

TBIRD proposes to complete the above-described scope within eight (8) weeks of receipt of authorization to proceed.

Project Fees

All work shall be performed in accordance with the General On-Call Services Agreement between the City of Lafayette Redevelopment Commission, and TBIRD Design Services Corp executed on March 24, 2022.

The total compensation under this agreement shall be time and material not to exceed the sum of \$17,500.00 unless approved in writing by the Client.

Summary

TBIRD Design Services is committed to completing the required work within the constraints of the project schedule and believes that open communication with the client is the key to a successful project. Please do not hesitate to contact me to discuss this matter in more detail or address any questions or concerns that you may have.
